- 5.3 The “**Actual Delivery Date**” for a Deliverable is the day the Deliverable (i) is accepted by You according to Section 5.4, or (ii) the Deliverable satisfies the agreed-upon acceptance criteria. Deviations which are insignificant for the intended use of the Deliverable (“**Minor Deviations**”) shall not affect the determination of the Actual Delivery Date and the Deliverable shall be regarded as having met the acceptance criteria even with the existence of Minor Deviations.
- 5.4 Upon completion of each Deliverable, We will as applicable, (a) submit a complete copy to You and (b) at Your request, demonstrate its functionality to You. You are responsible for reviewing and testing the Deliverable in accordance with the Order Form pursuant to the acceptance criteria or test plans mutually agreed upon in writing by the Parties for such Deliverable (if any). You shall provide Us with written notification of acceptance for each Deliverable promptly upon acceptance. Failure to reject a Deliverable, as set forth below, will be deemed as an acceptance by You. If any submitted Deliverable does not satisfy the agreed-upon acceptance criteria as specified in the applicable Order Form or as mutually agreed upon in writing by the Parties for such Deliverable, You must so notify Us in writing within seven (7) days after Our submission of the Deliverable, specifying any defects in the Deliverable (with the exception of Minor Deviations), failure of which will constitute Your acceptance thereof. We will use commercially reasonable efforts to correct any defects and deficiencies (with the exception of Minor Deviations) at Our cost and expense, and resubmit the Deliverable to You as soon as practicable. You shall thereafter perform an additional review and test of the Deliverable against the agreed-upon acceptance criteria in accordance with the procedure described in this Section 5.4. The Deliverable shall in any event be deemed accepted if You continue to use a Deliverable in Your business after the review and testing period. If the Parties jointly determine that a Deliverable’s functional requirements specified in an Order Form require modification (for example, due to incorrect assumptions or changed requirements), the Parties will cooperate in good faith to execute a Change Order for such revised requirements in accordance with Section 5.7.

- 5.5 **Delay of delivery.** Delay in delivery occurs when the date of the Actual Delivery Date occurs after the Agreed Delivery Date. The “Agreed Delivery Date” is the delivery date for the Deliverable agreed between the Parties in (as applicable):

The right to termination set out in this Section 5.5 is only applicable in respect of delays in performance of Professional Services related to the initial production deployment of the Cloud Service and not for any other Professional Services.

- 5.6 Where the Professional Services are to be delivered in stages (phases) or as separate deliveries, the Actual Delivery Date shall be determined for each stage or delivery.
- 5.7 **Change orders.** Changes to an Order Form will require a written Change Order signed by the Parties prior to implementation of the changes. Such changes may include, for example, changes to the scope of work and any corresponding changes to the estimated fees and schedule.
- 5.8 **Your cooperation.** For each Order Form referencing this Agreement You shall assign a project lead being Our primary contact. If applicable, You are responsible for ensuring the existence of and Our access to test environments of Your systems, including but not limited to, Your financial system or ERP system.

- 6.3 In the event of late payment by You, where such late payment is not subject to a good faith dispute, We shall, without prejudice to any other rights or remedies that We may have, be entitled to late payment interest at the rate of eight (8) percent per annum (“Late Fees”). We shall further be entitled to discontinue the performance of Our obligations and suspend the Cloud Service in the event You have not paid an outstanding invoice not subject to a good faith dispute within thirty (30) days from when it was due, provided that We have sent You a written reminder thereof, until all due and outstanding invoices have been paid. If an arbitration award provides that You are obliged to pay the disputed fees, We shall also be entitled to receive the Late Fees in respect of the previously disputed fees.
- 6.4 Unless otherwise agreed in writing, Professional Services shall be provided on a time and materials basis at the rates set out in the from time to time applicable pricelist. Hourly rates, fixed prices and maximum prices exclude cost for travel time, travel costs, accommodation and similar costs and You shall reimburse Us for reasonable travel, accommodation and similar costs incurred in connection with Professional Services. Additional terms and conditions in respect of fees, invoicing and payment are set out in the Order Form.

In such an event, the partner will set Your pricing, payment terms and late fees for that order and You will pay the amount due to the partner. In the event of late payment by the partner to Us, We shall, without prejudice to any other rights or remedies that We may have, be entitled to discontinue the performance of Our obligations and suspend the Cloud Service, until all due and outstanding invoices have been paid to Us.

7 Confidentiality

- 7.1 Each Party undertakes to keep confidential all information (written or oral) of a confidential nature regarding the business and affairs of the other Party which have been obtained or received prior to this Agreement or which the Party will obtain or receive during the term of this Agreement, save for information which is:

- 8.1 Neither Party shall be entitled to assign or transfer all or any of its rights, benefits or obligations under this Agreement, without the prior written consent of the other Party, except that We may (i) transfer and assign this Agreement to an Affiliate of Us and/or (ii) transfer and assign Our right to receive payment under this Agreement or any part thereof to any third party.
- 8.2 We may use subcontractors for performance of Our obligations under this Agreement, provided that any such subcontracting shall not diminish Our liability under this Agreement. Any Affiliate of Us may perform any of Our obligations or exercise any of Our rights under an Order Form, save that We shall be responsible for any acts or omissions of any of Our Affiliates. You acknowledge that any right or remedy You may have under an Order Form rests solely with Us.

9 Intellectual Property Indemnification

- 9.1 Notwithstanding the limitation of liability set out in Section 10.2, We shall pay those costs and direct damages finally awarded against You in connection with any claim by a third party that the Cloud Service, Documentation, the Deliverables or any Locally Installed Component used by You directly infringes such third party’s intellectual property rights (or those costs and damages agreed to by Us in a written monetary settlement) and the reasonable costs of defense incurred by You in connection therewith, including reasonable attorneys’ fees and court costs, provided that:
- You promptly notify Us in writing, no later than thirty (30) days after You receive notice of the claim (or sooner if required by applicable law);
 - You will give Us sole control of the defense and any settlement negotiations (at Our sole cost and expense and provided that We shall not settle any action without Your consent, unless such settlement provides for the unconditional release of You from all liabilities and obligations);
 - You will not prejudice the defense of the action or claim nor will You make any admission as to liability nor compromise or agree to any settlement of any such action or claim without the prior written consent of Us; and
 - You will provide Us with such assistance, documents, authority and information as We may reasonably require in relation to the action or claim and defense or settlement thereof.

Notwithstanding the foregoing, We shall have no liability to You for any claim that:

- arises out of any modification or alteration of the Cloud Service, Documentation, the Deliverables or any Locally Installed Component by anyone other than Us;
- arises out of the use of the Cloud Service, the Deliverables or any Locally Installed Component in

combination with any other software or equipment not approved in writing by Us

- h) is based on any information, design, specification, instruction, software, service, data, hardware or material not furnished by Us; or
- i) would have been avoided by use of the then-current version of any Locally Installed Component or if You had followed Our reasonable written instructions.

Further, We shall have no liability to You if You continue to use the Cloud Service, Documentation, the Deliverables or Locally Installed Components after the end of Your right to use such material.

If the Cloud Service, Documentation, the Deliverables or any Locally Installed Component becomes, or in Our opinion is likely to become, the subject of an infringement or misappropriation claim, We may, at Our own expense and option, elect to either:

- a) procure the right for You to continue using the Cloud Service, Documentation, Deliverables or any Locally Installed Component in accordance with the provisions of this Agreement;
- b) make such alterations, modifications or adjustments to the Cloud Service, Documentation, Deliverables or any Locally Installed Component so that it becomes non-infringing without incurring a material diminution in performance or function;
- c) replace the Cloud Service, Documentation, Deliverables or any Locally Installed Component with a non-infringing substantially similar substitute; or
- d) if neither (a), (b) nor (c) can be achieved after the exercise of commercially reasonable efforts, terminate the right of use and refund to You any unused, prepaid fees with respect to the affected part of the Cloud Service, Documentation, Deliverables or any Locally Installed Component.

If We modify or replace the Cloud Service, Documentation, Deliverables or any Locally Installed Component, You shall have the same rights in respect thereof as You have under this Agreement.

This Section 9 states Our entire liability, and Your sole remedies, for any infringement or alleged infringement of third-party intellectual property rights in relation to the Cloud Service, Documentation, Deliverables or any Locally Installed Component.

10 Limitation of Liability

- 10.1 Neither Party will in any event be liable under this Agreement or the termination thereof for any loss of profits, loss of revenues, loss of use, loss of anticipated savings or indirect or consequential damages of any kind.
- 10.2 Our aggregate liability for all damages arising out of or related to this Agreement, whether in contract or tort, or otherwise, shall be limited to the total fees actually paid by You under this Agreement during the twelve (12) month period immediately preceding the event giving rise to such liability. Notwithstanding anything to the contrary, Our limitations of liability under this Section 10.2 shall not apply to Our indemnification obligations under Section 9 or for any

other liability where the exclusion of liability is not permitted under applicable law.

- 10.3 We shall have no liability to You in respect of any default or claim unless You shall have served written notice of the same upon Us within thirty (30) days after the date You became aware or should have become aware of the circumstances giving rise to the default or claim.
- 10.4 Each party represents that it has validly entered into this Agreement and that it has the authority to do so. We warrant that during the Subscription Term, We will perform (i) the Cloud Service using commercially reasonable care and skill in all material respects as described in the Documentation, and (ii) any Professional Services in a professional manner consistent with industry standards (collectively, the "Services Warranty"). If you contend that the Cloud Service provided to You does not perform as warranted, You must promptly provide Us with a written notice that describes the deficiency in the Cloud Service. With respect to Professional Services, You must notify Us of any warranty deficiencies within 60 days from performance of the deficient Professional Services.
- 10.5 For any breach of the services warranty, Your exclusive remedy and Our entire liability shall be the correction of the deficient services that caused the breach of warranty

11 Security

- 11.1 We shall maintain appropriate technical and organizational measures for protection of the security (including protection against unauthorized or unlawful processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to Your Data), confidentiality and integrity of Your Data. The measures shall be reviewed and updated periodically to address new technologies, changes in industry-standard practices and security threats, provided that any such update does not materially reduce the overall level of security.
- 11.2 We shall report to You, the accidental or unlawful alteration, unauthorized disclosure of, or access to Your Data ("Breach") without undue delay and, where feasible, within 48 hours, after becoming aware that a Breach has occurred, unless restricted by law. We shall share information about the nature and consequences of the Breach that is reasonably requested by You to enable it to notify affected individuals, supervisory authorities or regulatory bodies.
- 11.3 We will on a regular basis audit the security measures taken by Us and Our subcontractors to protect Your Data, when providing the Cloud Service. Upon Your written request, We will provide You with a confidential summary of the result of such audit, for instance in the form of a SOC report, to allow for You to verify Our compliance with Our security obligations set out in this Agreement. The report is Our confidential information and is protected by the confidentiality clause set forth in this Agreement.
- 11.4 You agree to exercise Your audit right by instructing Us to execute the audit as described in section 11.3. If You reasonably concludes that the provision of Our audit report

is not sufficient to demonstrate Our compliance with this Agreement, We shall make available to You on request all information available for Us necessary to demonstrate compliance with this Agreement and shall allow for and contribute to audits, including inspections, by You or an auditor mandated by You in relation to Your Data. You shall give Us reasonable notice of any audit or inspection to be conducted under this section and shall make (and ensure that each of Your mandated auditors makes) reasonable endeavors to avoid causing (or, if it cannot avoid, to minimize) any damage, injury or disruption to the audited premises, equipment, personnel and business while its personnel are on those premises in the course of such an audit or inspection. We do not have to give access to premises for the purposes of such an audit or inspection outside normal business hours at those premises, or for the purposes of more than one audit or inspection in any calendar year, except for any additional audits or inspections which You are required or requested to carry out by mandatory law or any authority, supervising Your business.

As soon as such circumstances have ceased, the Party relieved of its obligations shall be obliged to resume its undertakings under this Agreement. A Party shall promptly notify the other Party in writing in order to be released under this provision. If the circumstances continue for more than three (3) months, either Party may terminate this Agreement upon written notice to the other Party. In such case no Party shall have any liability to the other Party.
